MEMORANDUM OF POINTS AND AUTHORITIES

Pursuant to California Code of Civil Procedure section 582.5, the court may allow any judgment to be paid in installments.

California Code of Civil Procedure section 582.5 reads:

In a limited civil case in which the defendant has appeared, if the judgment or order is for payment of money by the defendant, the defendant shall pay the judgment immediately or at any time and upon terms and conditions including installment payments that the court may prescribe. The court may amend the terms and conditions for payment of the judgment or order at any time to provide for installment payments for good cause upon motion by a party and notice to all affected parties, regardless of the nature of the underlying debt and regardless of whether the moving party appeared before entry of judgment or order. In any determination regarding imposition of terms and conditions upon the payment of the judgment, the court shall consider any factors that would be relevant to the determination of a claim for exemption pursuant to Chapter 4. (commencing with Section 703.010) of Division 2 of Title 9 of Part 2 or the examination of a debtor pursuant to Article 2 (commencing with Section 708.110) of Chapter 6 of Division 2 of Title 9.

DECLARATION

| I, (name): | am the Judgment Debtor in this action, and I declare the following in |
|---|---|
| support of my motion to allow payments in month | nly installments. |

- 1. This is a limited civil case.
- On or about (*date*): ______, the Court entered a judgment against me in the amount of \$______(total amount owing on judgment).
- I am asking that the Court allow me to make monthly installment payments, and request that these monthly payments be \$ ______ per month commencing on (*date*): ______ and \$ ______ each succeeding month thereafter until the entire judgment amount is paid in full.
- 4. In addition, I am requesting that the court order a stay of execution of judgment as long as I pay the installment payments on time according to the court ordered schedule. The stay of execution of judgment shall include recalling any current *Writ of Execution* and an order that no new *Writ of Execution* shall issue unless I fail to make a payment on time.
- 5. Payment of the entire amount of the judgment at one time will be a hardship on me because:

6. As a result of the judgment against me in this case:

My driver's license has been suspended. I am unable to work without a driver's license because:

In order to get my driver's license reinstated, I must arrange for a payment schedule, which I can reasonably meet.

Other (*describe*):

- 7. My request is based on this declaration, my completed *Financial Statement* (EJ-165) attached to this declaration and any other evidence that may be presented in Court.
- 8. My monthly take-home pay is \$______. I have ______ persons living in my household whom I support. Proof of my income is attached to this declaration as Exhibit "A". I will bring proof of my income and expenses to the court with me on the day of the hearing.
- 9. I understand that if I do not make an installment payment on time, the Judgment Creditor may notify the Court to cancel the payment schedule and then the entire unpaid balance will become due and collectible.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on _____, at _____, California.
